

## PUBLIC DISCLOSURE POLICY ORRISSA

ORRISSA, with its Mission to empower and enable the disadvantaged communities especially adivasi, dalit, women, children and other vulnerable groups to assert their rights over health, education and livelihoods, believes in transparent all its operations.

Community based intervention is the prime strategy of ORRISSA team. Participation of all its stakeholders is the principle that endures within the team structure. Participatory need assessment, planning, monitoring and evaluation tools are in place to maintain a transparent system and keep the group spirit perseverance.

ORRISSA works in interior tribal pockets of ORRISSA so we prepares our public disclosures both in English and local languages and in a simplified form that the majority people would comprehend.
